

## PRODUCT BULLETIN **1100** All Purpose Cleaner

Rev.date 10-1-04  
page 1 of 2

### General Description

**DoradoWash™ 1100** is an economical and safe liquid concentrate. It is mildly alkaline with detergents and wetting agents. It is formulated to replace strong chemical cleaners to handle many types of cleaning conditions in industrial, commercial, residential, automotive and marine industries

### Features and benefits

- Non-flammable, Biodegradable
- Safe on painted surfaces metals plastics, rubber, etc.
- Highly dilutable, depending on the cleaning conditions.
- Can be sprayed, brushed, mopped, or dipped.
- Excellent performance on spoiled inks and dyes.
- **DoradoWash™ 1100** is approved by the U.S. Department of Agriculture for all food-processing plants.

### Recommended Usage

- Office Equipment
- Counter Tops
- Glass, Rubber, Plastic, Vinyl
- Scuffs, tire marks
- Upholstery

### Product Data

- Viscosity: water thin
- Appearance: clear liquid
- Specific Gravity: 1.0
- Boiling Point: >215 degrees F
- Freezing Point: 25 degrees F
- pH: 11.0
- Flash Point: None (TCC)

- Coverage (Theoretical): 50-500 sq. ft/gal. depending on dilution
- Shelf Life: 24 months

### Safety requirements

Avoid ingestion, skin and eye contact. Wear eye protection and rubber gloves or synthetic gloves. When applying product using spray applications, wear NIOSH/MSHA approved respirator. In case of contact, flush with cold water for 15 minutes. If ingested, do not induce vomiting, and seek immediate medical attention.

Proper safety procedures should be followed at all times while handling this product. Refer to the Material Safety Data Sheet for important health/safety information before use.

### Limits On Use

Surface temperatures should be between 32°F to 120°F

### Typical Dilution Ratios

*General Purpose Cleaning*

2-4 oz. **DoradoWash™ 1100**: 1 gal water

*Medium Duty Cleaning: (Tools, Fireplace soot, Stove tops, etc.)*

8-12oz. **DoradoWash™ 1100**: 1-gal water  
*Light Heavy Duty (Chrome, Chain Saws, BBQ)*

20-30oz. **DoradoWash™ 1100**: 1-gal water

*Heavy Duty Cleaning*

1 gal. **DoradoWash™ 1100**: 1-gal. water

### Directions for use

- 1) **Test Area:** Always prepare a test area to determine product performance, coverage

## PRODUCT BULLETIN **1100** All Purpose Cleaner

page 2 of 2

and applicable dilution ratios, as well as the suitability of product for the paint and the substrate.

- 2) **Mixing:** After appropriate dilution is determined by test patch, add the determined amount of **DoradoWash™ 1100** to water and agitate.
- 3) **Dwell Time:** Allow product to dwell from ½ to five (5) minutes, depending on amount of soiling and ability to agitate.
- 4) **Application & Removal:** Apply **DoradoWash™ 1100** undiluted with mop, brush, or spray. Allow to remain on surface for up to 30 minutes; agitate the surface with a brush, and rinse with water. For best results, use a pressure washer.

### Packaging

- 1 gal (3.8 L)
- 5 gal (19.0L)
- 55 gal (210 L)
